

Dear Mr. Dr.Seyed Ali Mohammad Mousavi

15.6.2017

Secretary General of the D-8

I am honored to convey my well-wishes on the occasion of the anniversary of D-8 Organization.

Notably the idea to institutionalize the D-8 Organization among major Muslim developing countries which was depicted by Prof. Dr. Necmettin Erbakan, former Prime Minister of Turkey had created important synergies to make it rewarding and vitally important event in founding a common language and understanding among Muslim countries.

On the occasion of the 20th anniversary of D-8 Organization of which activities began with the Istanbul Declaration issued at the end of the summit of Heads of State and Government held in Istanbul on June 15,1997, I really hope that the prestigious D-8 Organization can contribute to give ever further visibility for stability in building the future developments of our countries. Although 20 years is a relatively short time span, the D-8's contribution to the economic development of our countries in transition cannot be underestimated.

This initiative is an example of the important role that the D-8 Organization continued to play in making co-operation among major Muslim developing countries an awareness-raising tool for bringing together the whole Muslim countries.

I am also fully supportive of your efforts for the services you rendered for development of D-8 Organization

In conclusion, on the occasion of this anniversary, I wish you all success for all future endeavours and look forward to a continued good co-operation among major Muslim developing countries.

Dr.Fatih Erbakan

President of Prof.Dr.Necmettin Erbakan
